

Delaware Emergency Management Agency

Course Description

COURSE CODE/TITLE	DV-100	Virtual Introduction to WebEOC Incident Management System	
COURSE LOCATION	Delaware Emergency Management Agency 165 Brick Store Landing Road Smyrna, DE 19977		
COURSE DATES	February 4, 2021	COURSE TIME	0900 to 1330
COURSE DESCRIPTION	<p>This is an introduction Course: This training is hands on active training using the system, it is not a classroom based training program. This course will provide the user with the ability to log into Web EOC and begin to use the various parts of the system. The user will be given the tools to sign in, use the activity sheet, complete a tasking, complete a Resource Request and send it to the proper person, and become familiar with the various other parts of Web EOC that are used in an activation. Upon completion of the training the user will be able to use the system to support the state’s mission during an activation.</p> <p>The class will be divided into 3 sections, the first section is to learn the capabilities and expectations of the users. The second section is to allow students to practice utilizing the system with tasks and exercises. The last section is to review and answer any questions students may have.</p>
